EDUCATION

The University of Texas at Austin

- Ph.D., Psychology: December, 2006
 - Dissertation Title: Dissatisfied by Design: The Evolution of Discontent
 - Dissertation Supervisor: Professor David M. Buss
- Major Concentration: Individual Differences and Evolutionary Psychology
- Minor Concentration(s): Evolutionary Biology / Quantitative Methods

The University of Wisconsin at Milwaukee

- B.A., Anthropology, May 2000
- Summa cum Laude
- Honors Degree with Thesis

ACADEMIC APPOINTMENTS

Texas Christian University

- | | |
|--|----------------|
| • Professor, Social Psychology | 2019 - Present |
| • Associate Professor, Social Psychology | 2013 - Present |
| • Assistant Professor, Social Psychology | 2008 - 2013 |

California State University at Fullerton

- | | |
|-----------------------------------|-------------|
| • Assistant Professor, Psychology | 2007 - 2008 |
|-----------------------------------|-------------|

POPULAR SCIENCE BOOKS

Hill, S. E. (forthcoming). *The Period Brain: the new science of why we PMS and how to fix it*. New York: Harper Collins.

Hill, S. E. (October 1, 2019). *This is your brain on birth control: the surprising science of women, hormones, and the law of unintended consequences*. New York: Penguin Random House. *Also published by Nijgh & Van Ditmar (the Netherlands), Orion (the United Kingdom, Australia), Mann, Ivanov & Ferber (Russia), Heyne (Germany),*

Amat Editorial (Spain | Latin America), and Beijing Endeavor E-Commerce Co. Ltd (China).

PUBLICATIONS FOR A BROAD AUDIENCE

Hill, S. E. (March 25, 2024). The Real Story Behind Women Getting Off Hormonal Birth Control and Misinformation. [Evie Magazine](#).

Hill, S. E. (October 5, 2022). Why I Gave up on Birth Control. [Newsweek Magazine](#).

Hill, S. E. (Oct. 1, 2020). 7 things you didn't know about progesterone, the other female hormone. [Evie Magazine](#).

Hill, S. E. (Sept. 18, 2020). What does the pill's effect on the human stress response mean? [Medium](#).

Hill, S. E. (Dec. 9, 2019). "Further Exploration Needed in Women" – the Hidden Sexism in Scientific Research. [Behavioral Scientist](#).

Hill, S. E. (Oct. 31, 2019). How to choose the least worst birth control. [Medium](#).

Hill, S. E. (Oct. 21, 2019). Why we need to talk more about women's hormones and the birth control pill. [Mind Body Green](#).

Hill, S. E. (Sept. 26, 2019). How the pill transforms your personality. [The daily mail](#).

Hill, S.E. (Sept. 27, 2019). Your birth control pill could make you feel less sexy — and it could also make you less attractive to potential partners. [Insider](#).

GRANTS (EXTERNAL) UNDER REVIEW

“The Impact of a Novel Contraceptive Decision Aid on Patient Outcomes”

Role on Project: Principal Investigator

Agency: National Institutes of Health, AHRQ

Period: 4/13/2024-4/12/2026

Total Costs: \$99,346.00

FUNDED GRANTS (EXTERNAL)

“Perceived Discrimination, Geographic and Demographic Effects on Immune Cell Function and Regulation”

Role on Project: Co-Investigator

Agency: National Institutes of Health, NIMHD

Period: 4/30/2024-4/29/2029

Total Costs: \$250,756

“Immunocompetence and Risky Decision Making”

Role on Project: Principal Investigator

Agency: National Science Foundation

Period: 6/1/16-5/31/19

Total Costs: \$265,000

“Impact of fathers on risky sexual behavior and decision-making in daughters”

Role on Project: Principal Investigator

Agency: National Science Foundation

Period: 10/1/13-9/30/16

Total Costs: \$450,000

“Perceptions of Resource Scarcity as a Contributing Factor to Behaviors Promoting Unhealthy Weight Gain ”

Role on Project: Principal Investigator

Agency: Anthony Marchionne Foundation

Period: 02/1/11-1/31/13

Total Costs: \$28,311

FUND E D GRANTS (INTERNAL)

“The Impact of Inflammation and its Situational Antecedents on Temporal Focus”

Role on Project: Principal Investigator

TCU IS Grant

Period: 6/1/2019 – 5/31/2020

Award Amount: \$14,201

“Perceived Pathogen Load, Immunocompetence, and Risky Sexual Behavior”

Role on Project: Principal Investigator

TCU IS Grant

Period: 7/1/2015 – 6/30/2016

Award Amount: \$15,000

“Impact of fathers on risky sexual behavior and decision-making in daughters”

Role on Project: Principal Investigator

TCU IS Grant

Period: 9/1/14-8/15/15

Award Amount: \$30,000

“The Effect of Artificial Sweeteners on Calorie Regulation”

Role on Project: Principal Investigator

TCU IS Grant

Period: 8/1/12 – 7/30/13

Total Costs: \$2,000

University of Texas at Austin Liberal Arts Graduate Research Fellowship	2003 - 2004
University of Texas Department of Psychology Professional Development Award	2002 - 2005
University of Texas Department of Psychology Board of Regents Graduate Fellowship	2001 - 2002
Phi Beta Kappa	2000
SC Johnson Foundation Sons and Daughters Scholarship for Academic Excellence	1999 - 2000
Wingspread Fellow, University of Wisconsin-Milwaukee	1998 - 2000
Kartar Singh Dhaliwal Professorship of Punjab/Indian Studies Study Abroad Scholarship	1998 - 1999
Honors program member: University of Wisconsin-Milwaukee	1997 - 2000
Chancellor's Sophomore Honors: University of Wisconsin-Milwaukee	1997 - 1998

INVITED TALKS AND PROFESSIONAL PRESENTATIONS

- Hill, S. E. (March 2025). Hormones 101: Navigating Hormonal Changes for Improved Productivity. Women's History Month Speaker. Confluent. Held online via Zoom.
- Hill, S. E. (November 2024). Is it Time to Rethink the Birth Control Pill? Invited Speaker: Hot Science Cool Talks. University of Texas at Austin. Austin, TX.

- Hill, S. E. (September 2024). Sex hormones, the female brain, and the birth control pill. Invited public address for the University of Northern Michigan evening speaker series, University of Northern Michigan. Marquette, MI.
- Hill, S. E. (May 2024). Hormones and Mental Health. Invited panelist. Women's Mental Health Conference. Yale University. New Haven, CT.
- Hill, S. E. (November 2023). Nothing in Health Psychology Makes Sense Except in the Light of Evolution. Invited Colloquium Speaker, Rice University. Houston, TX.
- Hill, S. E. (September 2023). Sex Hormones, The Female Brain, And The Birth Control Pill. Invited Public Address for the Clarke Forum for Contemporary Issues, Dickenson College. Carlisle, Pennsylvania.
- Hill, S. E. (August, 2023). Success in science is a path paved with self-doubt and failure. Keynote Address at the annual meeting of the FOSSIL society. Fayetteville, Arkansas.
- Hill, S. E. (June, 2023). Design and Disorder: The Evolutionary Foundations of the Mental Health Crisis Among Women. Opening Keynote Address at the Metagenics Institute Congress 2023: The Well Woman. Sydney, Australia.
- Hill, S. E. (June, 2023). Sex Hormones, The Female Brain, And The Birth Control Pill. Closing Keynote Address at the Metagenics Institute Congress 2023: The Well Woman. Sydney, Australia.
- Hill, S. E. (May, 2023). Pitching and Writing a Popular Science Book: Communicating Science without Getting in the Weeds. Talk presented at the Annual Meeting for Human Behavior and Evolutionary Society. Palm Springs, CA.
- Hill, S. E. (April, 2023). Sex Hormones, The Female Brain, And The Birth Control Pill. Women's Health Summit Continuing Education Forum. PESI Healthcare. Held online via Zoom.
- Hill, S. E. (March, 2023). Birth Control as a Grand Challenge. Invited keynote address at the annual meeting of the Grand Challenges Initiative. Chapman University. Orange, CA.
- Hill, S. E. (March, 2023). Sex Hormones, The Female Brain, And The Birth Control Pill. Invited speaker for the Chapman University Brain Institute and Department of Psychology Distinguished Speaker Series. Chapman University. Orange, CA.
- Hill, S. E. (March, 2023). Sex Hormones, The Female Brain, And The Birth Control Pill. Invited speaker at "Mind the Gap: Hormonal Contraceptives and Brain Health" conference. Held online via Zoom.
- Hill, S. E. (January, 2023). A successful research career is paved with self-doubt and failure. Invited keynote address at Ph.D. Day. Graduate School of Health and Interdisciplinary studies. Aarhus University. Aarhus, Denmark.

- Hill, S. E. (January, 2023). Sex Hormones, The Female Brain, And The Birth Control Pill. Invited talk to the Department of Translational Neuropsychiatry. Aarhus University. Aarhus, Denmark.
- Hill, S. E. (October, 2022). How Hormonal Birth Control Impacts Women's Brains (And Why You Should Care). Distinguished Speaker: Department of Psychology, DePauw University. Greencastle, IN.
- Hill, S. E. (April, 2022). This is your brain on birth control. Invited speaker for the Evolutionary Psychology Seminar Series. Department of Psychology, SUNY New Paltz. New Paltz, NY.
- Hill, S. E. (October, 2021). Early life stress, health, and condition dependent behavioral strategies. Invited talk for the UCLA Behavior, Evolution, and Culture (BEC) speaker series. Los Angeles, CA.
- Hill, S. E. (October, 2021). This is your brain on birth control. Invited talk given at the Department of Psychology, Chapman University. Orange, CA.
- Hill, S. E. (October, 2021). Harnessing your Hormonal Superpowers. Featured speaker for the Evolve Conference for Women. Southlake, TX.
- Hill, S. E. (September, 2021). Early life stress, health, and individual differences: biological mediators of life history tradeoffs. Invited talk for the E. Majorana Foundation and Centre for Scientific Culture Workshop on Evolution and Personality. Erice, Sicily, Italy.
- Hill, S. E. (July, 2021). Invited Panelist: PMDD Round Table Event. International Association for Premenstrual Disorders. Held online via Zoom.
- Hill, S. E. (July, 2021). This is your brain on birth control. Keynote address at the annual meeting of the Northeastern Evolutionary Psychology Society (NEEPS). Held online via Zoom.
- Hill, S. E. (June, 2021). Future directions in women's sex hormone research: anovulation, progesterone, and hormonal interventions. Talk presented at the annual meeting for the Human Behavior and Evolutionary Society (HBES). Held online via Zoom.
- Hill, S. E. (May, 2021). Hormonal Birth Control and Women in the Developing World. Discussant at the 8th Toulouse Economics and Biology Workshop "Fertility: Causes and Consequences". Toulouse, France.
- Hill, S. E. (April, 2021). Hormonal Birth Control and Women's Psychology: What We Know and Don't Know. Keynote address at the annual meeting of the Oklahoma Psychological Society. Oklahoma City, OK.

Hill, S. E. (April, 2021). The Impact of Pathogen Vulnerability on Dating and Mating. Invited PSI CHI Distinguished Lecture at the annual meeting of the Southwestern Psychological Association (SWPA). San Antonio, TX.

Hill, S. E. (February, 2021). The Psychological Burden to Women of Hormonal Birth Control. Invited speaker for the Women's Health Innovation Summit. London, UK. Held online via Zoom.

Hill, S. E. (February, 2021). This Is Your Brain On Birth Control. Invited speaker for Science on Tap. Fort Worth, TX. Held online via Zoom.

Hill, S. E. (January, 2021). Did the Pill Pick Your Partner? Invited discussant in the Body Literacy Series. Los Angeles, CA. Held online via Zoom.

Hill, S. E. (January, 2021). This Is Your Brain On Birth Control. Invited colloquium speaker at Chapman University. Orange, CA. Held online via Zoom.

Hill, S. E. (October, 2020). This Is Your Brain On Birth Control. Invited colloquium speaker at Oklahoma State University. Stillwater, OK. Held via Zoom.

Hill, S. E. (October, 2020). Mental Health and the Birth Control Pill. Invited discussant at the [Body Literacy Summit](#). Los Angeles, CA. Held via Zoom.

Hill, S. E. (October, 2020). Zombified by the Birth Control Pill. Invited Plenary Speaker at the bi-annual meeting for the [Zombie Apocalypse Medicine Meeting](#) (ZAMM). Tempe, AZ. Held via Zoom.

Hill, S. E. (October, 2020). Clinical treatment of women on the birth control pill. What to know and what comes next. Invited speaker for the Fort Worth division of the American Psychological Society (FWPA). Fort Worth, TX. Held via Zoom.

Hill, S. E. (October, 2020). This Is Your Brain On Birth Control. Invited speaker for [Daye](#) Panel on Women's Health. London, UK. Held via Zoom.

Hill, S. E. (September, 2020). This Is Your Brain On Birth Control. [Featured speaker for Russian book launch event \(Mann, Ivanov and Ferber\)](#). Moscow, Russia. Held via Zoom.

Hill, S. E. (May, 2020). Clinical treatment of women on the birth control pill. What to know and what comes next. Invited Zoom Presentation for the Minnesota Area Clinicians Meeting. Minneapolis, MN.

Hill, S. E. (April, 2020). This Is Your Brain On Birth Control. Invited Speaker at Clemson University School of Medicine. Clemson, SC. Cancelled due to COVID-19.

- Hill, S. E. (March, 2020). This Is Your Brain On Birth Control. Invited PSI CHI Distinguished Lecture at the annual meeting of the Southwestern Psychological Association (SWPA). Frisco, TX. Cancelled due to COVID-19.
- Hill, S. E. (February, 2020). Early life environments and energy regulation: Why, when, and how growing up poor promotes eating in the absence of hunger. Talk presented at the annual meeting of the Society of Personality and Social Psychology (SPSP). New Orleans, LA.
- Hill, S. E. (January, 2020). This Is Your Brain On Birth Control. Invited Keynote Speaker at Women's Health Forum (hosted by Dutch ELLE Magazine) at deBALIE. Amsterdam: NL.
- Hill, S. E. (January, 2020). It's Time to Talk about Women's Brains and the Birth Control Pill. Invited presentation for Stand Up Science at Sons of Hermann Hall. Dallas, Texas.
- Hill, S.E. (November 2019). Evolution, Social Behavior, and Health: An Interdisciplinary Approach. Invited talk for the John V. Roach Honor's College Interdisciplinary Work in Progress Series. Fort Worth, Texas.
- Hill, S. E. (October 2019). This Is Your Brain On Birth Control. Invited talk presented at the Texas Conference for Women, Austin, Texas.
- Hill, S. E. (October 2019). It's Time to Talk about Women's Brains and the Birth Control Pill. [Invited talk presented at TEDx - Vienna](#). Vienna, Austria.
- Hill, S. E. (June 2019). Why Inflammation Matters for Understanding Human Social Behavior (Even if You Don't Study Health). Talk Presented at the annual meeting for the Human Behavior and Evolutionary Society (HBES). Boston, MA.
- Hill, S. E. (March 2019). Nothing in Health Psychology Makes Sense Except in Light of Evolution. Invited Colloquium Speaker; Tulane University. New Orleans, LA.
- Hill, S. E. (March 2019). The lasting impact of early life environments on eating behavior. Invited Speaker at the annual meeting of the Society for Research in Child Development (SRCD) Evolutionary Developmental Pre-Conference, Baltimore, MD.
- Hill, S. E. (December 2018). Nothing in Health Psychology Makes Sense Except in Light of Evolution. Invited Colloquium Speaker; University of Delaware. Newark, Delaware.
- Hill, S. E. (November 2018). Why the immune system matters for psychology (even if you don't study health). Invited Speaker; University of Texas – Arlington Colloquium Series. Arlington, Texas.
- Hill, S. E. (August 2018). What is evolutionary psychology and why do I need to know about it? Invited Speaker; FWAPA – Continuing Education; University of North Texas Health Science Center. Fort Worth, Texas.

- Hill, S. E. (June 2018). The impact of inflammation on impulsivity. Invited Speaker; Second Annual Javea Workshop on Evolution and Social Behavior. Javea, Spain.
- Hill, S. E. (October 2017). The cascading effects of early life poverty on energy regulation. Invited Speaker; University of Michigan's Jaffe Symposium on Security and Scarcity. Ann Arbor, Michigan.
- Hill, S.E. (June 2017). Teaching Evolutionary Psychology. Invited Speaker for Continuing Education - Texas Teachers of Psychology. Fort Worth, TX.
- Hill, S.E. (June 2017). The Effects of Paternal Disengagement on Women's Perceptions of Male Mating Intent. Talk presented at the annual meeting for the Human Behavior and Evolutionary Society (HBES). Boise, Idaho.
- Hill, S.E. (February 2017). Teaching Evolutionary Psychology. Invited Speaker at the Innaugural Meeting of the Texas Teachers of Psychology Conference. Colleyville, TX.
- Hill, S. E. (December 2016). The cascading effects of early life poverty on health. Invited Colloquium Presentation; Institute for Advanced Study in Toulouse, Toulouse, France.
- Hill, S. E. (January 2016). The Impact of Pathogen Vulnerability on Dating and Mating. Invited Talk presented at the annual meeting of the Society of Personality and Social Psychology (SPSP) Evolutionary Pre-Conference, San Diego, CA.
- Hill, S. E. (January 2016). Growing up Poor Promotes Eating in the Absence of Energy Need. Talk presented at the annual meeting of the Society of Personality and Social Psychology (SPSP), San Diego, CA.
- Hill, S. E. (December 2015). Losing despite winning and winning despite losing: Life history tradeoffs and vulnerability to cancer. Plenary Address presented at the Third International Biannual Evolution and Cancer Conference, San Francisco, CA.
- Hill, S. E. (September 2015). The Impact of Pathogen Vulnerability on Dating and Mating. Invited talk presented at the annual meeting for the Society of Experimental Social Psychology (SESP) Relationship Preconference, Denver, CO.
- Hill, S. E. (September 2015). Too Risky a Gamble? Pathogen Threat Decreases Risk Tolerance. Talk presented at the annual meeting for the Society of Experimental Social Psychology (SESP) Conference, Denver, CO.
- Hill, S. E. (May 2015). The Impact of Disease Threat on Women's Desire for Novel Partners: Is Variety the Best Medicine? Talk presented at the annual meeting for the Human Behavior and Evolutionary Society (HBES), Columbia, MO.

- Hill, S. E. (April 2015). Evolution, Ecology, and Health: Adaptive Calibration to Scarcity and Illness. Invited talk presented at Arizona State University (ASU). Department of Psychology.
- Hill, S. E. (March 2015). Growing up Poor Promotes Eating in the Absence of Energy Need. Talk presented at the inaugural meeting of the International Society for Evolutionary Medicine (EvMed), Phoenix, AZ.
- Hill, S. E. (March 2015). Growing up Poor Promotes Eating in the Absence of Energy Need. Talk presented at the International Convention for Psychological Science (ICPS), Amsterdam, The Netherlands.
- Hill, S. E. (February 2015). The Impact of Disease Threat on Women's Desire for Novel Partners: Is Variety the Best Medicine? Talk presented at the annual meeting for the Society of Personality and Social Psychology (SPSP), Long Beach, CA.
- Hill, Sarah E. (July 2014). From Lipstick to Luxuries: The impact of resource scarcity on men's and women's consumer behavior. Talk presented at the annual meeting for the European Association for Social Psychology (EASP), Amsterdam, The Netherlands.
- Hill, Sarah E. (April 2014). Much ado about nothing: The impact of resource scarcity on cognition, conformity, and consumer behavior. Invited talk presented at University of Texas – San Antonio. Department of Marketing.
- Hill, Sarah E., DelPriore, D., Rodeheffer, C., & Butterfield, M. (October 2013). Fat, Fertility, and Fast Strategies: Ecological Contingencies in the Ideal Female Body Size. Talk presented at the annual meeting for the Association for Consumer Research (ACR), Chicago, Illinois.
- Hill, Sarah E., DelPriore, D., Rodeheffer, C., & Butterfield, M. (July 2013). Fat, Fertility, and Fast Strategies: Ecological Contingencies in the Ideal Female Body Size. Talk presented at the annual meeting for the Human Behavior and Evolutionary Society (HBES), Miami, Florida.
- Hill, Sarah E. (May 2013). The impact of resource scarcity on decision-making: Categorization, consumption, and beyond. Invited talk presented at University of Texas – Arlington, Department of Psychology.
- Hill, Sarah E. (April 2013). Scarcity and Consumer Behavior: An Evolutionary Approach. Invited talk presented at University of Texas – Arlington, Department of Marketing.
- Hill, Sarah E., DelPriore, D., Rodeheffer, C., & Butterfield, M. (January 2013). Fat, Fertility, and Fast Strategies: Ecological Contingencies in the Ideal Female Body Size. Talk presented at the annual meeting for the Society of Personality and Social Psychology (SPSP), New Orleans, Louisiana.

Hill, Sarah E., Rodeheffer, C., DelPriore, D., & Butterfield, M. (October 2012). A Life History Perspective on Women's Food Regulation Behavior: Food, Fat, and Fertility Suppression. Talk presented at the annual meeting for the Association for Consumer Research (ACR), Vancouver, British Columbia.

Hill, Sarah E., Rodeheffer, C., DelPriore, D., & Butterfield, M. (January 2012). A Life History Perspective on Women's Food Regulation Behavior: Food, Fat, and Fertility Suppression. Talk presented at the annual meeting for the Human Behavior and Evolutionary Society (HBES), Albuquerque, New Mexico.

Hill, Sarah E., Rodeheffer, C., DelPriore, D., & Butterfield, M. (January 2012). Boosting beauty in an economic decline: Mating, spending, and the lipstick effect. Talk presented at the annual meeting for the Human Behavior and Evolutionary Society (HBES), Albuquerque, New Mexico.

Hill, Sarah E., Rodeheffer, C., DelPriore, D., & Butterfield, M. (January 2012). A Life History Perspective on Women's Food Regulation Behavior: Food, Fat, and Fertility Suppression. Invited speaker for the Evolutionary Psychology Preconference at the annual conference of the Society of Personality and Social Psychology (SPSP), San Diego, CA.

Hill, Sarah E., Rodeheffer, C., Griskevicius, V., Durante, K., & White, A. (October 2011). Boosting Beauty in an Economic Decline: Mating, Spending and the Lipstick Effect. Talk presented at the annual conference of the Association for Consumer Research (ACR), St. Louis, MO.

Hill, Sarah E., Rodeheffer, C., Griskevicius, V., Durante, K., & White, A. (April 2011). Boosting Beauty in an Economic Decline: Mating, Spending and the Lipstick Effect. Invited Speaker for the Texas State Representative's Symposium at the annual conference of the Southwestern Psychological Society (SWPA), San Antonio, TX.

Hill, Sarah E. & DelPriore, D. (January 2011). The Cognitive Consequences of Envy. Poster presented at the annual conference of the Society of Personality and Social Psychology (SPSP), San Antonio, TX.

Hill, Sarah E. & DelPriore, D. (June 2010). The Cognitive Consequences of Envy. Talk presented at the annual conference of the Human Behavior and Evolutionary Society (HBES), Eugene, OR.

Hill, Sarah E. (April 2010). Courtship, Competition, and Social Cognition: An Evolutionary Approach to Human Decision-Making. Invited talk given at the University of Texas at Arlington, Arlington, Texas.

Hill, Sarah E. (May, 2009). Risk, rivalry, and the pursuit of attractiveness: evidence for contextually-specific risk suppression in women. Talk presented at the annual conference of the Human Behavior and Evolutionary Society (HBES), Fullerton, CA.

- Hill, Sarah E. (May, 2009). Risk, rivalry, and the pursuit of attractiveness: evidence for contextually-specific risk suppression in women. Talk presented at the annual conference of the Association for Psychological Science (APS), San Francisco, CA.
- Hill, Sarah E. (February, 2009). Risk, rivalry, and the pursuit of attractiveness: evidence for contextually-specific risk suppression in women. Poster presented at the annual conference of the Society of Personality and Social Psychology, Tampa, FL.
- Hill, Sarah E. (January, 2009). An evolutionary psychological approach to understanding risky decision-making. Invited talk to be presented at the annual meeting for Social Psychology in Texas (SPIT), Austin, TX.
- Hill, Sarah E. (August, 2008). The role of social competition in decision-making and risk assessment. Invited panelist and chair: Decision-making through the lens of evolutionary psychology. Panel presented at the 116th annual conference of the American Psychological Association (APA), Boston, MA.

- Hill, Sarah E. & Buss, David M. (February, 2008). The Mere Presence of Opposite-Sex Others on Judgments of Sexual and Romantic Desirability: Opposite Effects for Men and Women. Poster presented at the sixth annual SPSP Evolutionary Psychology Pre-Conference, Albuquerque, NM.
- Powell, Caitlin, A. J., Hill, Sarah E., Smith, Richard, H., & Buss, David M. (November 2006). Gender differences in envy and jealousy: attractiveness and status of potential rivals, presence of infidelity. Poster presented at the Society for Southeastern Social Psychologists, Knoxville, TN.
- Hill, Sarah E., Powell, Caitlin, A. J., Buss, D. M., & Smith, Richard, H. (January, 2006). From envy to jealousy: Status, attractiveness, and gender differences. Poster presented at the fourth annual SPSP Evolutionary Psychology Pre-Conference, Palm Springs, CA.
- Hill, Sarah E. & Buss, David M. (June, 2005). Dissatisfied by Design: The Evolution of Discontent. Talk presented at the seventeenth annual conference of the Human Behavior and Evolution Society, Austin, TX.
- Hill, Sarah E. & Buss, David M. (March, 2005). Dissatisfied by Design: The Evolution of Discontent. Poster presented at the Intellectual Enrichment Committee Graduate Student Poster Session, Austin, TX.

Hill, Sarah E. & Buss, David M. (January, 2005). Dissatisfied by Design: The Evolution of Discontent. Poster presented at the third annual SPSP Evolutionary Psychology Pre-Conference, New Orleans, LA.

Hill, Sarah E. (June, 2002). The Games People Play: Game Theory Applied to Human Mating Transactions. Talk presented at the fourteenth annual conference of the Human Behavior and Evolution Society, New Brunswick, NJ.

TEACHING EXPERIENCE

Texas Christian University **2008 - Present**
Professor

- Social Psychology
- Graduate Seminar in Social Psychology
- Evolutionary Psychology
- Graduate Seminar in Evolutionary Psychology

California State University at Fullerton **2007 - 2008**
Assistant Professor

- Psychology of Human Sexuality
- Social Psychology
- Research Methods

The University of Texas at Austin **Fall 2006**
Assistant instructor

- Research Methods in Psychology

The University of Texas at Austin **Fall 2005**
Assistant instructor

- Research Methods in Psychology

The University of Texas at Austin **Fall 2003**
Assistant instructor

- Introduction to Psychology

ADVISORY BOARD APPOINTMENTS

28 Wellness
• Head, Scientific Advisory Board **2024 - Present**

Flo Health
• Member, Scientific Advisory Board **2022 - Present**

Uniq Health (Tuune)

- Member, Scientific Advisory Board 2021 - Present

ECONME

- Member, Board of Directors 2020 - 2022

CONSULTING APPOINTMENTS

28 Wellness

- Lead Science Advisor March 2024 - Present

CuePod

- Ad Hoc Scientific Advisor April 2023 - Present

Cougar Life

- Research Consultant May 2022 - April 2024

Flo Health

- Research Consultant Jan 2022 - Present

Uniq Health (Tuune)

- Science and Outreach Advisor Aug 2021 - Present

PROFESSIONAL AFFILIATIONS
